Napa Valley

Vineyard Details:

Owned by the Eakle family Pope Valley Winery is located in the northeastern hills just beyond Howell Mountain in Napa Valley. Our two estate vineyards with a combined 80 planted acres, at the winery and our Eakle Ranch vineyard, yield rich distinctive wines characteristic of the terroir. Our wines showcase the mineral complexity of the soils -Pleasanton loam and Bressa-Dibble complex. Pope Valley is a warm growing climate with cool evenings and mornings which allow the grapes to hang on the vine long enough to ripen to their fullest potential yet cool enough at night to develop complex varietal aromas. Pope Valley wines express the historic character that established Napa Valley as one of the premier growing regions in the world.

Winemaking notes:

The clusters were held for 72 hours prior to pressing to gently extract color and flavor from the skins. After the cellar rest, the fruit was pressed whole cluster and the juice was fermented in stainless steel tanks at 58 degrees to maximize varietal character.

Tasting notes:

The aromas are fresh and inviting reminiscent of honeydew and watermelon, the palate is bright and crisp with lively acidity
