POPE VALLEY WINERY
CABERNET SAUVIGNON
NAPA VALLEY 2016

Tons of cassis, cherry and blood-orange aromas, plus some smoky oak, married to quite a powerful but rather sleek palate, to give an unusual but food-friendly balance for Napa Valley. Drink or hold.

This is a bit funky at first, but that blows off quite quickly. It's quite tannic and pushes the firm, dry style quite a long way. Will the attractive red berry and blackberry aromas still be around when this softens? Hope they will. Try in 2020.
